## About This Game

Oh no! The cats have gotten loose - and it's up to our hero, Bob the Yeti, to collect them all!

While trying to rescue all the lost felines, Bob must face upcoming dangers such as falling platforms, rolling snowballs and slippy ice bricks - not to mention some of the unleashed cats themselves! Is Bob up to the challenge?

Inspired by the classic platformers from the past decades, Bob's Cat Challenge offers an exciting 3D adventure for players of all ages!

This is a well hidden gem amongst the Steam game distribution platform. With a wide array of graphic options - ranging from Low for the lower performing of us gamers, to Ultra for the game beasts - this game presents breathtaking visuals no matter which option you choose. The gameplay is challenging yet enjoyable, with the levels introducing new elements every so often while maintaining the use of previous ones. This piece of work is definitely worth its price and your time.. Spectacular
